Performance Power: 181 bhp Top speed: 127 mph Economy: 52.3 mpg	Dealer Comments This 2013 BMW X1 is a versatile SUV that offers practical space and a commanding presence, suitable for families or anyone needing extra room and comfort. Finished in white, it features five doors, making it accessible and convenient for passengers. Powered by a diesel engine paired with an automatic transmission, this car is designed for smooth, effortless driving whether you're navigating city streets or cruising on motorways. It's well-suited for everyday use, combining the practicality of an SUV with the ease of automatic gear changes.
