Performance

Dealer Comments

The 2022 Ferrari Portofino M is a distinguished grand touring vehicle ideal for those seeking a blend of luxury and exhilarating everyday driving. Its petrol engine paired with a semi-automatic transmission offers a seamless and engaging experience, suitable for both city journeys and longer excursions. With just 3,853 miles on the clock, this example provides a chance to enjoy a near-new driving experience.

Designed to deliver comfort and performance, the Portofino M balances practicality with the excitement typical of Ferrari’s heritage. Whether navigating winding roads or cruising in style, it offers a refined drive that matches the expectations of discerning drivers.

Prepared by Demo Motors

Every approved vehicle is presented with supporting specification, imagery, and dealer preparation notes to help you review it clearly before enquiring. Contact the dealership directly for availability, finance options, part exchange, and any additional walkaround information.
